## NOTE FROM OUR DIRECTOR:

Thank you for taking the time to consider receiving your biblical counseling training through Grace Covenant Church. It is our desire to help you become better equipped in the important task of counseling suffering people. Our course will provide you with a format that will maximize learning through the advantages of online learning.

Lectures are broken down into 15-20 minute segments to give you greater flexibility with your time. A corresponding workbook is provided (digital or a printed copy sent to you).

The reading assignments come from the approved list provided by ACBC for certification. Where possible assigned reading corresponds with the lectures. Past students have expressed that this feature has been very helpful in the learning process.

This is an online course that includes personal interaction. There are required discussion forums centered around the lectures and observation videos. These forums allow you to interact throughout the week with your fellow students and instructors. There are three virtual classes and one virtual Meet and Greet where you can ask questions and receive further instruction. There is much more that could be said and you may have some questions. If you are interested in learning more, please contact us by emailing [biblicalcounseling@gccbeavercreek.org](mailto:biblicalcounseling@gccbeavercreek.org)
